Miss Rose-Joan Grotta  
WCSR  
10 $\frac{1}{2}$  Prospect Street  
Northampton, Mass.

Dear Miss Grotta:

I am sorry that you have not heard from us before. If we received the letter at all, it never got as far as me. I expect that it was lost somewhere between the post-office and me, for which I apologize.

I have asked several people about making the trip to WCSR, and there has been much enthusiasm. Unfortunately, this is the time of year when we are changing executive boards, so I cannot give you any definite date, but I believe that either of the ones you suggested, particularly the 15th of February would be very satisfactory. I will have my successor, Douglas McKelvy, write you about this as soon as possible.

In the meantime, any suggestions that you have for programming would be very welcome so that we can begin preparations.

Thank you very much for the invitation; we are all looking forward to coming up in February.

Very sincerely yours,

*Charles B. Milliken*
